

With Massey Ferguson's history dating back over 150 years, today's range of lawn care and compact tractors bear the hallmarks of all Massey Ferguson equipment – top performance, reliability, operator comfort and uncompromising build quality. As well as a vast product line, Massey Ferguson's strength is based in the long-held philosophy of providing customers with more than just a machine.

4WD Diesel All Terrain

Out-play the competition

Whether you need a worker out on the farm or a way to get into the woods, Massey Ferguson's 4x4 MF20-MD gets it done.

With 4-wheel drive, 20 cm suspension travel and a wide stance, it offers increased stability on rough terrain.

MF20-MD | 21.9 hp* | Diesel 4X4

Features:

- ▶ 21.9 hp* Yanmar® three cylinder diesel engine
- ▶ On demand 4x4 system
- ▶ 635 kg towing capacity
- ▶ 4-wheel drive fully-independent suspension

Easy step in design with ROPS

Allows for easy entry and exit of the vehicle whilst the Roll Over Protection System keeps the operator safe in the event of a rollover.

Brush bar

Standard brush bar offers protection to the vehicle. Electric winch option available.

4-wheel hydraulic 8" disc brakes

Enhances braking and ensures optimal stopping on any terrain, even in difficult conditions.

Heavy-duty cast-iron rear differential

Manually engaged with selectable lockout gives you traction in challenging conditions.

Comprehensive dash controls

Includes dash mounted systems monitor (monitors the electrical system, engine oil, low fuel level, park brake operation and an easy-to-read hour meter), 4WD engagement, warning lights, horn, ignition key and a 12V outlet.

YANMAR® diesel engine
▶ Three cylinder, liquid cooled diesel engine
▶ Smooth and reliable power
▶ Low down torque

Continuously variable transmission
▶ Fully enclosed CVT gives smooth and precise speed control when needed (shown with cover removed)

Auto-Lok™ 4-wheel drive
▶ Electronic slip sensing
▶ Auto-Lok™ automatically engages 4-wheel drive when required

HURST® shifter and diff lock
▶ Centrally located HURST® shifter
▶ High and low range ratios and reverse
▶ Lever locks the rear differential for added traction in difficult terrain

Fully independent suspension
▶ 4-wheel fully-independent suspension with dual arm and coil over shocks
▶ Gives 20 cm of travel to tackle the toughest terrains

Tilting cargo tray
▶ Steel cargo tray
▶ 408 kg capacity
▶ Can be manually lifted
▶ Electric lift

MF GROUNDS CARE

Massey Ferguson lawn care solutions

*As rated by engine manufacturer.

Rear Discharge Lawn Tractors

Convenient and efficient lawn tractors

Get the job done quicker with Massey Ferguson Rear Discharge Lawn Tractors. Premium Kohler® and Briggs & Stratton engines give

you power where you need it most with catchers which come as standard allowing for easy bagging and disposal of grass clippings.

MF36-16ARD | 16 hp* | 36" cutting deck MF41-22RD | 22 hp* | 41" cutting deck

Features:

- ▶ 16 hp* Briggs & Stratton engine
- ▶ 92 cm (36") deck
- ▶ Autodrive transmission
- ▶ 4 deck wheels (2 front, 2 back)
- ▶ High back seat
- ▶ Rear deck with 280 litre catcher – STANDARD
- ▶ Cruise control – STANDARD
- ▶ Standard with front bumper for additional protection

Features:

- ▶ 22 hp* Kohler® engine
- ▶ 104 cm (41") deck
- ▶ Hydrostatic transmission
- ▶ 4 deck wheels (2 front, 2 back)
- ▶ High back seat
- ▶ Rear discharge deck with 350 litre catcher – STANDARD
- ▶ Cruise control – STANDARD
- ▶ Standard with front bumper for additional protection

Side Discharge Lawn Tractors

Reliable and packed with features

Massey Ferguson Side Discharge Lawn Tractors make mowing the lawn easy. With strong, dependable Kohler® engines and amazing features, these lawn tractors are tough to beat. Our side discharge models allow you to cover large areas in a short space of time as

there is no need to constantly stop to empty the grass catcher. Cutting height can be easily adjusted to ensure ideal results and a number of accessories can be attached.

MF42-20SD | 20 hp* | 42" cutting deck MF54-25SD | 25 hp* | 54" blade deck

Features:

- ▶ 20 hp* Kohler® Courage V-Twin petrol engine
- ▶ 107 cm (42") side discharge deck
- ▶ Heel/toe operated hydrostatic transmission
- ▶ Cruise control STD
- ▶ Four deck wheels (two front, two rear)
- ▶ Electric PTO Deck Engagement
- ▶ Deck wash
- ▶ Cast-iron front axle
- ▶ Mow in reverse facility
- ▶ Mulch kit standard

Features:

- ▶ 25 hp* Kohler® Command V-Twin petrol engine
- ▶ 137 cm (54") triple blade deck
- ▶ Heel/toe operated hydrostatic transmission
- ▶ Cruise control STD
- ▶ Four deck wheels (two front, two rear)
- ▶ Electric PTO Deck Engagement
- ▶ Deck wash
- ▶ Cast-iron front axle
- ▶ Standard mulch kit and optional grass catcher

Zero-Turn Mowers

Easier to use, faster to finish

Massey Ferguson's Zero-Turn Mowers allow you to mow around edges, borders and trees. The easy-to-use lap bars allow you to

control the riders with ease. Bursting with features, these Zero-Turn Mowers will have you mowing in circles. Optional catcher available.

MFLZ-60 | 27 hp* | 60" cutting deck MF50-22ZT | 22 hp* | 50" cutting deck

Features:

- ▶ 27 hp* Kawasaki® engine
- ▶ Large 152 cm (60") floating/fabricated deck
- ▶ Electric clutch
- ▶ Dual 30 litre fuel tanks
- ▶ Zero-turning radius
- ▶ Optional mulch kit and catcher
- ▶ Rear hitch STD

Features:

- ▶ 22 hp* Kohler® engine
- ▶ 127 cm (50") triple blade /13-gauge steel deck
- ▶ PTO clutch: electric engagement
- ▶ Zero-turning radius
- ▶ Mulch kit as standard, optional catcher

Operator comfort and controls: The seat is fitted with armrests and is adjustable for greater operator comfort. The lap-bars are also adjustable and the controls are conveniently placed for ease of use.

Off-set deck: The deck extends beyond the wheels, allowing the operator to mow up to edges and borders with ease.

Fast-attach deck system: Allows for the easy removal and replacement of the deck in seconds without tools.

Briggs & Stratton or Kohler® engines

- ▶ Easy, dependable starts
- ▶ Reliable and long-life design
- ▶ Easy maintenance

Cast-iron hydrostatic transmission

- ▶ Greater durability and longer life
- ▶ Cooler operating temperatures
- ▶ Smooth and reliable performance

Step-through chassis

- ▶ Allows for easy mounting and dismounting

Electric PTO

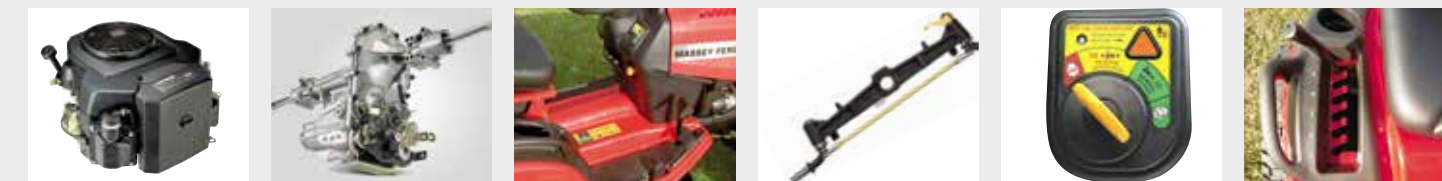

- ▶ One switch easily engages and disengages the cutting deck

Catchers

- ▶ 280 - 350 litre catchers
- ▶ Easily bag and dispose of grass clippings

High back seat

- ▶ Simple to use
- ▶ Provides superior operator comfort

Kohler® engines

- ▶ Twin cylinder
- ▶ Easy, dependable starts
- ▶ Reliable and long-life design
- ▶ Easy maintenance

Hydrostatic transmission

- ▶ Serviceable
- ▶ Easy operation
- ▶ Added torque for uneven terrain

Step-through chassis

- ▶ Allows for easy mounting and dismounting

Cast-iron front axle

- ▶ Provides added strength while pivoting gives a smooth, even cut

RMC – Reverse Mowing Control

- ▶ Allows the operator to mow in reverse once they have ensured it is safe to do so (MF54-25SD only)

11 position deck height adjustment

- ▶ Allows the operator to easily adjust the height of the deck to suit the conditions and cut height

Kohler® or Kawasaki engines

- ▶ 22 hp* or 27 hp* premium twin cylinder engines
- ▶ Reliable and long-life design
- ▶ Easy, trouble-free starting

Twin hydrostatic transmissions

- ▶ Twin hydrostatic transmissions provide zero-turn manoeuvrability
- ▶ Easy operation with twin lap bars

Easy-mount chassis

- ▶ The lap bars move aside allowing for easy mounting and dismounting

4-bolt automotive style rear hubs

- ▶ For added durability and strength at the rear wheels, as well as ease of maintenance

Side-mounted systems monitor

- ▶ Easy-to-read hour meter
- ▶ Monitors oil pressure, battery voltage, PTO and park brake operation

Large fuel tanks

- ▶ MF50-22ZT: 11.4 litres
- ▶ MFLZ-60: 60 litres; twin tanks (30 litres each)
- ▶ Provides long running times
- ▶ Easily accessible
